OUR COMPANY

With two decades of experience, ESSE Clearing Ltd. provides a superior and quality Customs Clearing service. ESSE Clearing Ltd, was established by a team, experienced in the customs industry. The Company prides itself of a cost saving, individualized service, with no client too big or too small to be a priority. We strive for heightened compliance to all customs regulations at competitive rates, saving you money in the short and long term.

ESSE Clearing has offices at Chirundu, Lusaka Airport, Ndola, Katima Mulilo, Kazungula, Livingstone (including Victoria Falls), and Nakonde borders.

Being a highly IT focused Company, we ensure full online connectivity both to the customs system and the internet at all our stations. Through our years in the industry, we have the experience to handle all eventualities. This is used to the benefit of our clients, allowing us to make tailor made solutions for their customs clearing needs. The result is a time valued cost-effective customs clearing solution.

OUR VISION

"To remain a leader in the Zambian Customs Clearing Community and to continue to grow within Zambia and beyond while maintaining our commitment to Customs modernization."

OUR MISSION

"ESSE Clearing's mission is to provide our clients with an effortless experience for all their import and export needs without compromising on Quality, Efficiency and Integrity. Through our highly skilled staff complement, we will provide a cost-effective custom clearing service within Zambia."
